

§ 165.T01-0315

33 CFR Ch. I (7-1-10 Edition)

maintain at least 50 yards distance from any event participant unless otherwise directed.

(3) The “designated representative” is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on his behalf. The designated representative will be aboard either a Coast Guard or Coast Guard Auxiliary vessel.

(4) Vessel operators desiring to enter or operate within the safety zones shall telephone the Captain of the Port at 207-767-0303, or his designated representative via VHF Channel 16 to obtain permission to do so.

(5) The Captain of the Port or his designated representative may delay or terminate any event listed in the events table in paragraph (a)(2) of this section to ensure safety. Such action may be required as a result of weather, vessel traffic density, spectator activities or participant behavior.

EFFECTIVE DATE NOTE: By USCG-2010-0239, 75 FR 25768, May 10, 2010, temporary §165.T01-0239 was added, effective May 10, 2010 through 11:59 p.m. on Sept. 29, 2010.

**§ 165.T01-0315 Safety zones; Marine Events within the Captain of the Port Sector Northern New England Area of Responsibility, July through September.**

(a) *Safety zones.* The following areas are designated safety zones:

*Locations.* The locations for each safety zone are provided in the below EVENTS TABLE. For all events listed in the EVENTS TABLE below, the safety zones for firework displays includes all navigable waters within a 350 yard radius of the fireworks launch site; for all swim events listed in the Events Table, a 200 foot radius around all participants; for all regattas, power boat races, row and paddle boat races, and parades listed in the EVENTS TABLE below, all navigable waters within a 50 yard radius around all vessels participating in the event.

(b) *Notification.* Coast Guard Sector Northern New England will cause notice of the enforcement of these temporary safety zones to be made by all appropriate means to affect the widest publicity among the effected segments of the public, including publication in the Local Notice to Mariners and Broadcast Notice to Mariners.

(c) *Effective period.* This rule is effective from 8 p.m. on July 3, 2010 through 11:59 p.m. on September 29, 2010.

(d) *Enforcement period.* This section will be enforced for the duration of each event indicated in the table above. If the event is cancelled due to inclement weather, this section is in effect for the day following the scheduled time listed in the table above or as indicated in the Local Notice to Mariners. Notification of events held on a rain date will be made by Broadcast Notice to Mariners.

(e) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply. During the enforcement period, entry into, transiting through, remaining, mooring or anchoring within these safety zones is prohibited unless authorized by the Captain of the Port or his designated representatives.

(2) These temporary safety zones are closed to all vessel traffic, except as may be permitted by the Captain of the Port or his designated representatives. Vessel operators given permission to enter or operate in the safety zones must comply with all directions given to them by the Captain of the Port or his designated representatives. Vessels that are granted permission to enter or remain within a safety zone may be required to be at anchor or moored to a waterfront facility such that the vessel's location will not interfere with the progress of the event. At all times

when a vessel has been granted permission to enter within a safety zone, it shall endeavor to maintain at least 50 yards distance from any event participant unless otherwise directed.

(3) The “designated representative” is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative may be on a Coast Guard vessel, a state or local law enforcement vessel, or other designated craft, or may be on shore and will communicate with vessels via VHF-FM radio or loudhailer. In addition, members of the Coast Guard Auxiliary may be present to inform vessel operators of this regulation.

(4) Vessel operators desiring to enter or operate within the safety zones shall request permission to do so by contacting the Captain of the Port Sector Northern New England at 207-767-0303, or via VHF Channel 16.

(5) The Captain of the Port or his designated representative may direct the delay, cancellation, or relocation of the specific area to be regulated within the generally described locations listed in the EVENTS TABLE above to ensure safety and compliance with environmental laws. Such changes in implementation of the safety zones may be required as a result of factors that could affect their associated marine events such as weather, vessel traffic density, spectator activities, participant behavior or potential environmental impacts.

EFFECTIVE DATE NOTE: By USCG-2010-0315, 75 FR 32285, June 8, 2010, temporary §165.T01-0315 was added, effective June 8, 2010 through 11:59 p.m. on Sept. 29, 2010.

**§ 165.T01-0519 Safety zone; ship repair in Penobscot Bay, ME.**

(a) *Location.* The following area is a safety zone: All waters within a 100 yard radius of the drill ship STENA FORTH while at anchor in Penobscot Bay, Maine, in approximate position: 44°06'54" N., 069°02'54" W., one mile northeast of Rockland Harbor Breakwater Light (LLNR 4130), and approximately one and a half miles north of Owl's Head, Maine.

(b) *Notification.* Coast Guard Sector Northern New England will cause no-

tice of the enforcement of this temporary safety zone to be made by all appropriate means to effect the widest publicity among the affected segments of the public, including publication in the Local Notice to Mariners and Broadcast Notice to Mariners.

(c) *Effective period.* This safety zone is effective from 12:01 a.m. on June 15, 2010, until 11:59 p.m. on July 5, 2010.

(d) *Enforcement Period.* The safety zone in this section will be enforced while the drill ship STENA FORTH is at anchor in Penobscot Bay, Maine.

(e) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply. During the enforcement period, entry into, transiting, mooring, anchoring or remaining within this safety zone is prohibited unless authorized by the Captain of the Port or his designated representatives.

(2) This temporary safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port or his designated representative. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port or his designated representatives.

(3) The “designated representative” is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative may be on a Coast Guard vessel, a Coast Guard Auxiliary vessel, or onboard a local or state agency vessel that is authorized to act in support of the Coast Guard. In addition, members of the Coast Guard Auxiliary or Cianbro repair crew may be present to inform vessel operators of this regulation.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port or his designated representative by telephone at 207-767-0303 or via VHF radio channel 16 to obtain permission to do so.

EFFECTIVE DATE NOTE: By USCG-2010-0519, 75 FR 35301, June 22, 2010, temporary §165.T01-0519 was added, effective June 22, 2010 through 11:59 p.m. on July 5, 2010.
